

Entrance Exam Taster Mock Test for Year 5s

If you are thinking of the grammar school for your child but are unsure if they can attain the standard, why not book a place on our Entrance Exam Mock Taster Test?

This is a shorter, initial mock test for year 5 pupils.

It consists of three assessments papers:

- Maths,
- English
- Verbal Reasoning

Each paper is 20 minutes long and gives children a taster of the types of questions they will be facing if sitting the Entrance Exam.

For parents, it gives an indication of your child's strengths/weaknesses and which areas to concentrate on.

The best thing about this taster mock is that it is FREE!
